Oct. 8, 2014 Update

LOCAL LODGE 733 & 774 NEGOTIATING COMMITTEES

Brothers and Sisters,

Your negotiating committees are continuing to represent your interests at the bargaining table. We are encouraged by early progress made on non-economic issues and are entering the economic phase of our negotiations. We are using the results and comments from your surveys every step of the way.

As we go through this process, it's important to remember that we're all on the same team. Staying united means having each other's back through thick and thin. We will continue to keep you updated as talks progress. Stay strong!
