"IMPORTANT NOTICE UPDATE"

February 10, 2016

Dear Sisters and Brothers of IAMAW District Lodge 70

Subject: Trusteeship Hearing Update

As we stated in Newsletter #1 released on February 02, 2016, it is our intent to communicate with our membership transparently throughout this process. There will be questions we will not be able to answer until the Trusteeship hearing and process has been completed, we continue to ask each to please be patient with us. Servicing our membership is priority number one, the returning appointed Business Reps were back onboard almost immediately with minimal disruption in servicing, each should have reached out to all In-Plant Chairs at their respected locations.

Trusteeship Venue Change: The location of the Trusteeship Hearing was changed to the **IAMAW District Lodge 70 Union Hall**, the same date and time (February 22, 2016 beginning at 10:00 AM promptly). This is to better accommodate our memberships concerns and associated cost, the location is **IAMAW District Lodge 70, 3830 S. Meridian, Wichita, KS 67217.**

What is a Trusteeship Hearing: Many members have ask if this is a hearing of "guilt or innocence" and the answer is NO. **The sole purpose of the hearing:** is not to obtain a verdict of guilt or innocence regarding the conduct of any individual officer or representative. This is a process following the IAMAW Constitution as seen in Article VI, Sections 8 & 9 and seen in the suspension/trusteeship letter. ***The Trusteeship Hearing is held only to determine if a trusteeship shall be continued or dissolved.*** Under the current IAM Constitutional rules, there is only one hearing which must be conducted within thirty (30) days of the imposition of trusteeship.

In Solidarity,

Tony Blevins, Aerospace Coordinator, DL 70 Deputy
