**RE: Local Lodge 2025 Calendars**

Dear Brothers and Sisters of Local Lodge 774,

Due to the expenses related to the labor strike against Textron Aviation in 2024, the majority of members present at the December 2024 membership meeting voted against printing a local lodge calendar for 2025.

During our monthly membership meetings, attendees have the opportunity to vote on items presented to the executive board for consideration. We appreciate your understanding of the democratic nature of this process.

We value your membership and believe that together, we can achieve a successful and prosperous year.

Fraternally,  
Local Lodge 774 President  
Brian Alexander
